

# **2011 RECYCLING RULES AND REGULATIONS**

## **PLEASE NOTE THE FOLLOWING CHANGES.**

### **\*COMMINGLED CURBSIDE RECYCLING HAS ARRIVED\***

**Beginning January 1, 2011 we will be collecting curbside recyclable items commingled. You no longer need to separate your recyclables as in the past. This is a major change to our recycling program. Curbside Collection of recycling will now be on Mondays and Tuesdays only. Please check the schedule for your street to determine which day and area is your collection day. There are 4 areas, #'s 1, 2, 3 & 4. All recycling shall be placed at the curb by 7:00 am.**

**ALL GLASS** (clear, green, brown), **ALUMINUM & BI-METAL (Tin) CANS, PLASTIC AND ASEPTIC PACKAGING** (Juice Boxes, etc.) may now be placed together in ONE container. It is no longer necessary to "separate" these materials.

### **Plastics Collection change.**

**All plastics, #'s 1-7 will now be collected.**

Plastic food containers should be rinsed and cleaned of debris prior to being set out for collection.

### **PLEASE DO NOT USE CONTAINERS LARGER THAN 30 GALLONS.**

**(It may be necessary to use more than one container depending on the amount of recycling you place out for collection.)**

### **CARDBOARD**

Collection of corrugated cardboard is on the **third Wednesday of every month** at the curb. *All cardboard should be flattened and tied for pickup, or flattened cardboard can be put inside of one large cardboard box.*

Cardboard is easily recognized by its unique design of a wavy line in between two straight lines. Cardboard must be placed at the curb by 7 a.m.

### **SCRAP METAL**

Collection of scrap metal is on the **fourth Wednesday of every month** at the curb. Items acceptable for pickup include anything that is at least 75% metal. Scrap metal items include **bicycles, refrigerators\*, washers, dryers, cookie sheets, coat hangers, cast iron, radiators, etc.** Such items must be placed at the curb by 7:00 a.m.

**\*Appliances such as refrigerators, air conditioners, etc. containing "Freon or CFC's" must be certified that the Freon and CFC's have been removed by a certified person or vendor and that a sticker (supplied by the removal company) is attached to the appliance. This is required by law!**

**AS A REMINDER OF NEWSPAPER COLLECTION DAYS, SIGNS WILL BE POSTED ON EACH OF THE TRAIN OVERPASSES, THE BOROUGH HALL AND THE POLICE DEPARTMENT.**

**For more information or updates regarding either the Curbside Collection, Garbage Collection and the Drop-Off Site please see the Borough of Allendale's Website.**  
**[www.allendalenj.gov](http://www.allendalenj.gov)**

**2011 GARBAGE COLLECTION**

Suburban Disposal (Roselle) performs garbage collection in the Borough of Allendale under a contract with the municipality.

**Please note that our current contract will expire on April 14, 2011. Please check the Borough website; [www.allendalenj.gov](http://www.allendalenj.gov) for future updates regarding possible changes regarding garbage collections.**

The contractor collects garbage from both the East and the West sides of the borough. The NJ Transit Railroad divides the borough in half.

**Report missed collections to the Borough Hall at 201-818-4400, extension 200 or 201.**

**West Side Garbage:** is collected on Mondays.

**East Side Garbage:** is collected on Tuesdays.

#### **Holidays**

**Garbage Collection Holidays follow the same format as the Recycling Holidays.**

**Whenever there is a “Municipal Holiday” collections will be made the  
NEXT DAY throughout the week!**

**For example, if a holiday falls on a Monday, the Monday collection will be made on Tuesday. Tuesday collection will be made on Wednesday, etc.**

**This format will follow for that entire week.**

#### **Municipal Holidays that will affect garbage collection are:**

**New Years Day, President’s Day, Memorial Day, July 4<sup>th</sup>, Labor Day,  
Columbus Day and Christmas Day.**

**Bulky Trash Collections:** Bulk Trash collections from the east side are the 1<sup>st</sup> Wed. of each month. Bulk Trash collections from the west side are the 2<sup>nd</sup> Wed. of each month.

**Cardboard & Scrap Metal Collections:** Cardboard is collected on the **THIRD** Wednesday of each month and **Scrap Metal** is collected on the **FOURTH** Wednesday of each month. Please note that cardboard and scrap metal is collected from both the east and west sides on their scheduled days.

**Important Note: There are on occasion 5 Wednesdays in a month. There are no collections on a “FIFTH” Wednesday!**

#### **Inclement Weather (Snow and Ice)**

**Every attempt is made to collect during inclement weather. Although the weather may disrupt or delay collections the contractor is required to collect the garbage.**

**Please remember that it is the responsibility of each property owner to be sure that the contractor has access to your collection point. All snow and ice should be removed or treated so they can collect it safely!**

## **Allendale Police Messaging Services**

There are now two ways Allendale Police are communicating with our residents. We are using the **SwiftReach** and **Nixle** services. Each has its own advantages and applications.

**SwiftReach** is used to send out recorded messages over the telephone when a large number of people or those in a specific geographic area need to be contacted quickly. This service is for the highest priority messages that need to get out to these residents as quickly as possible. The contact information for SwiftReach is taken from phone company records for listed numbers and is updated semi-annually. Cell and unlisted phone numbers are not included in these updates. To register these numbers in the lists, residents must go to the Borough web site ([www.allendalenj.gov](http://www.allendalenj.gov)) and click on SwiftReach.

The **Nixle** service is a secure, web based messaging system. Once registered, the user can select whether to receive text messages, emails or view a history of Nixle messages sent by the Allendale Police. Users can also register multiple locations within the Borough, such as home and work, so that when alerts are sent to a specific geographic area they will be received if the user is registered in that area. Nixle is used for second-tier notifications which are important but not critical. Other Borough agencies may also post messages to Nixle, under the categories Advisory, Traffic, Alert and Community. To sign up with Nixle, users must go to [www.nixle.com](http://www.nixle.com) and click on the Register button. Once registered other agencies can be searched and added to your notification list.

While neither of these systems is fail-safe, Allendale Police want to provide as many ways as possible to keep our residents informed of the various police and safety-related activities as possible. If you have any questions on these systems or how we intend to use them, please send an email to [ens@allendalepd.org](mailto:ens@allendalepd.org) or call (201) 825-1900. Sgt. Scherb, Officer Lawler or Officer Dillon will be glad to answer any questions or address any concerns you may have.

And, as always, be sure to check the Privacy Policy and Terms of Use for any services or web sites you create accounts for. The Allendale Police do not release any personal information to any person or agency. The information in these systems is used only to notify our residents of events and incidents affecting the public's safety and well-being.
